### NOT TO BE SCARED

Lieutenant White Is Still in the Field

FOR THE GOVERNOR'S FAVOR

When the Slate of Multary Appointment Is Confirmed-A Kalamazoo

The following clipping which appears under a Kalamazoo date in the betroit Free Press is creating considerable talk among local military men:

"A pronounced opposition has arisen among the officers of several companies of the state militia against the appointment of William A. White of Grand dapids as state quartermaster, although nearly all of them have endorsed his candidacy for that position. The reason for the change of front is on account of a report, which Mr. White does not deny, that he will retain Colonel Harter as his \$1,200 a year than induced these lines to again repeat the same this year. Tickets at these cheap rates will be on sale at all stations for all trains on December 20, among the officers of several comtain Colonel Harter as his \$1,200 a year assistant quartermaster, which position was created by General Alger to make places for the promises he had made. Some have declared that they made. Some have declared that they would withdraw their endorsement and it is understood that others have done so. We are compelled to do it in justice to ourselves and the company to which we belong,' said one officer. 'for the reason that, while Colonel Harter m in that position, the companies outside of Detroit need not expect an even shake in the matter of supplies from the quartermaster's office. He supplies the Detroit companies with supplies in advance of the western companies. We are sorry that White should place himself in such a position, as we believe be could be appointed by Governor Rich without agreeing to keep General Alger's friend in the service.' Captain Van Kersen of Comvice.' Captain Van Kersen of Com-pany C states that he does not want Colonel Harter retained, but would not go so far as to withdraw his en-dorsement of Lieutenant White. He does not think that White has agreed to keep Harter."

Lieutenant White denies the text of the letter, and says it originated with Lieutenant Grant Bennett, Co. C, Kalamazoo, who has sent him the follow-

A Positive Fact.

Ladies, do not delay your valuable time by waiting and suffering, but secure a bottle of Dullam's Great German Female Uterine Tonic and be cured of your monthly trouble either in old or young. It is the very best preparation I ever prescribed in my extensive prescribed. It has even the heat tensive practice. It has given the best results in the greatest number of cases of female troubles of any medicine that I ever used. I do not make a practice of using or recommending patent medicines, but this remedy is prepared by a very competent physician and chemist of my acquaintance and I can cheerfully and conscience-ously recommend it as the best.
